Cable Assemblies:

www.strantech.com

Development and manufacturing of fiber optic and electrical connectors, cable assemblies, termination tools, training and interconnection systems for commercial & military applications

www.yccable.com

Computer, Consumer, Fiber Optic, Medical, Networking & OEM Cable Assemblies.
 UL, CSA, ISO9001, ISO14001, QS9000

Connectors / Accessories:

SENDING ALL THE RIGHT SIGNALS

www.hirschmann-usa.com

Industrial Automation Connectors & Cord Sets, Fiber Interface & Test/Measurement products
 Industrial Automation Connectors & Cord Sets, Fiber Interface & Test/Measurement products

www.lumberg-automationusa.com

Connectors & components for industrial automation applications. Focused on manufacturing with products in connectivity, Fieldbus, Industrial, Ethernet & Food & Beverage

www.min-e-con.com

Micro-D and Nano Connectors, Contacts on 0.25, 0.020 & 0.050 Centers, Design & Manuf Micro-D Mil-DTL-83513, Strips Cable Assemblies, PC Mounts & Harnesses

www.abelconn.com

Backplanes, metal backplanes, molded & metal connectors, flex headers, plates, chassis assemblies & LED assemblies. Low volume, high mix provider of high reliability interconnect products & solutions for Military & Aerospace

Sleeving / Sheathing / Shielding / Tape & Tubing:

www.arlon-std.com

Self Fusing Silicone Tapes, Precision-Calendered Composites & Silicone Based Heat Sink Adhesives (Thermabond)

www.techflex.com

Expandable, High Abrasion Resistant & Flame Retardant Protective Sleeving

www.zippertubing.com

Protective Sheathing, Wrap Around Sleeving & EMI Shielding Products

www.graylineinc.com

PVC tubing, polyolefin tubing, braided sleeving, polyurethane tubing, fluid transfer tubing, food beverage tubing, and medical tubing & more

www.dsgcanusa.com

polyolefin, fluoropolymer, elastomer and PVC heat shrinkable based materials in thin, medium and heavy walled tubing as well as heat shrink accessories and equipment for automotive, electrical/utility, communication and electronic markets

EMS

www.qualitelcorp.com

Full range contract electronics manufacturing focusing on High Mix, High Reliability for aerospace, medical, and industrial markets. Offshore high volume partnership with In-tech. ISO13485, AS9100, ISO9001:2008, FDA, ITAR Capabilities include: 2010 SPEA Flying probe, 01005, uBGA, Selective, Conformal Coating. Full lot traceability and real-time SPC.

Printed Circuit Boards

www.pdcircuits.com

entire spectrum of bare board supply chain from engineering and design support to prototypes, production, quality, logistics & inventory mgmt.

Custom Machined Parts

www.tcprecision.com

Precision Machined Parts
 Quickturn, Small Production Runs,
 Custom Proto Tooling Capabilities

Switches/Keyboards

One Step Ahead™

www.stacosystems.com

LED Pushbutton Display Switches
 Custom and Build-To-Print Subsystems
 Rugged, NVIS-Compatible Keyboards
 Custom Keyboard and Keypads
 AS9100, MIL-SPEC and FAA Certifications

www.cskeyboards.com

Designer & Manufacturer of Custom Membrane Switches, Elastomeric/Rubber Keypads, Backlit Keypad Solutions, Full "Plug & Play" (Turn-Key) Assemblies, Flexible Etched Circuits, LED Integrated Switches/Keyboards & Touchscreens

Reed Switching Products:

www.meder.com

Meder Manufactures Reed Relays, Reed Switches, Reed Sensors, Liquid Level Sensors, Magnetic Floats, Magnets in Housings & Optocouplers. Meder is our official source for **OKI** Reed Switches

Wire & Cable:

www.champcable.com

Manufacturer of Customized Wire & Cable for Demanding Environments. Products include a Variety of Irradiation-Cross Linked Insulations For Commercial, Industrial & Automotive Industries.
