**Did you know... Because of its excellent thermal, chemical, and radiation resistance, Nomex is used in specialized clothing for firefighters, race car drivers, and military pilots.**

## Self Wrappable Nomex Sleeve

Protection of wiring systems on today's modern aircraft requires a braided sleeving company that can take that protection to new heights. Techflex's® F6® Nomex® (F6X) is the result of many years of R&D and insight into the aviation industry. F6X is made from genuine Nomex® for years of durable service. In your application, F6X maximizes harness coverage with minimum waste. The essential flame retardancy of Nomex® will meet even the most rigorous specifications and can be used in any major aircraft program. As always, Techflex's® F6® self-wrapping closure system will make installation a breeze keeping your installation process lean.

**Certifications:**

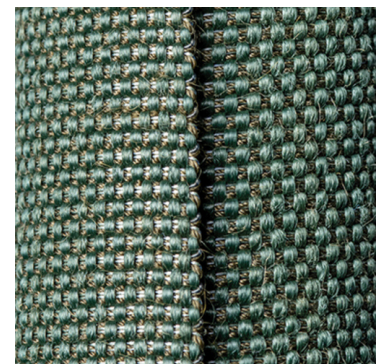

**FAR-25**

## Product Sizes

Size	Part Number	Bulk Spool	Box A	Box B	Lbs / 100'
3/16"	F6X0.19	1,200'	600'	200'	.96
5/16"	F6X0.31	650'	325'	125'	1.20
1/2"	F6X0.50	300'	150'	75'	1.80
5/8"	F6X0.63	250'	125'	75'	2.16
3/4"	F6X0.75	150'	100'	50'	2.76
1"	F6X1.00	100'	75'	50'	3.36
1 1/4"	F6X1.25	100'	50'	25'	4.05
1 1/2"	F6X1.50	50'	25'	-	5.14

## HEAVY DUTY

All of the sleeving and wraps in this category are built to endure the toughest environments. Abrasion worries are a thing of the past with this collection.

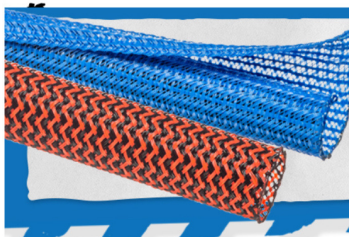

**BUNDLING • ABRASION GUARD • HIGH IMPACT PROTECTION**

## GENERAL PURPOSE

Our General Purpose Category is, well, general purpose. Many of these products are extremely versatile and can be found in a wide range of applications & industries.

**BUNDLING • ORGANIZING • LIGHT PROTECTION • COLOR CODING • IDENTIFICATION**

## METAL & SHIELDING

Braided from metal plus other engineered filaments and all are designed for EMI, RFI, and/or ESD protection.

**SHIELDING • GROUNDING • STATIC • NOISE**

## ADVANCED-ENGINEERING

Do you need sleeving made from specific engineered materials? This is the spot. All the sleeving in the AE category are engineered to exact specs & tight tolerances.

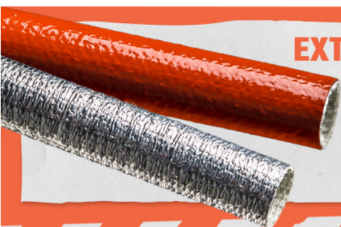

**MAS – MAJOR AIRCRAFT SPEC • SPECIALIZED POLYMER BASE MATERIAL • FLAME RETARDANCE**

## EXTREME TEMPERATURE

The name says it all. Whether you need to reflect heat, protect from heat, or keep heat in, all of these products can withstand a barrage of high temperatures.

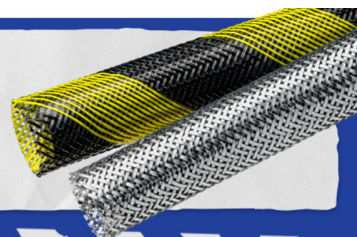

**FLAME PROOF • CRITICAL INSULATION • TEMPERATURES UP TO 2000 °F • ALL TYPES OF HEAT BARRIERS**

## SPECIALTY

Every product in the Specialty category has been designed for very specific applications that required a special touch.

**SPECIAL REQUEST SOLUTIONS • UNIQUE AND INTERESTING APPLICATIONS**

## HEATSHRINK TUBING

The Techflex® heatshrink brand, Shrinkflex® proudly lives here. Multiple shrink ratios and specialty materials to choose from.

**SEAL, FINISH, BEAUTIFY, & ORGANIZE YOUR APPLICATION • VARIETY OF RATIOS & COLORS**

## ELECTRICAL INSULATION

The sleeving found here is designed for insulating electrical builds. Industry standard wire protection in low and high voltage applications.

**GRADE A & C • ACRYLIC, VINYL, AND SILICONE • HEAVY WALL AND FLAME RETARDANT**

## LACING TAPE

Sometimes you need to bundle your harness but sleeving isn't necessarily the answer. That's where lacing tape comes in.

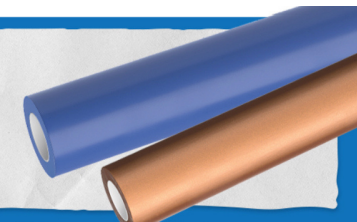

**• NYLON, PTFE-FLUOROCARBON, POLYESTER, FIBERGLASS & NOMEX® • USED IN AEROSPACE, ELECTRONICS, MEDICAL & OTHER INDUSTRIES**

## TUBING

We make tubing too! Choose from a variety of industry specialized tubing for welding, pharmaceutical, dairy, and more.

**PERFORMANCE ENGINEERED TUBING • HIGH PURITY TUBING • CHEMICAL RESISTANT TUBING • EXTRUDED AND CO-EXTRUDED TUBING**

## CUSTOM SERVICES

Techflex® prides ourselves on providing custom services engineered to meet your specific requirements.

**HEATSHRINK PRINTING • CUSTOM PRINTING • PRECISION CUTTING • ENGINEERED MATERIALS • SPECIALTY PACKAGING • BRAID SHAPING**

## TOOLS & ACCESSORIES

Ok. So, you've found the sleeving that you needed but that doesn't mean you have all the necessary tools to handle it correctly. You can find them all here.

**• HOT KNIVES • HEAT GUNS • INSTALLATION TOOLS • TAPES • CABLE TIES AND MORE**

We are available to meet with you and review your project.
